Town-Wide Yard Sale, June 9th

Deadline to register your yard sale, June 4th
2012 Sale Benefits the New Boston Rail Trail

It's time to gather your "no longer wanted but still in good condition items" for New Boston's 6th Town Wide Yard Sale. This year's proceeds will benefit the work being done on the New Boston Rail Trail, a project spearheaded by the Conservation Commission.

The proceeds attained from this event come directly from each participant's registration fee, monies collected for the featured garden bench raffle and concessions sold on the Town Common the day of the event.

Annually, we have been able to gift each featured New Boston non-profit with over $1,500.

I urge you to show support for the Rail Trail this June by participating in this year's Town Wide Yard Sale.

It's a win-win situation. The Rail Trail reaps the cost of your registration fee, you are automatically entered for the garden bench raffle and you get to keep all the monies made from selling your unwanted items. Remember, one man's trash is someone else's treasure!

So please cut out the registration form below, fill it out, mail it in or drop it off at the Recreation Department—then clean out those closets, basements and garages.

For those wishing to shop, you can pick up your map of participating yard sales on the Town Common on Saturday, June 9th. Part of the $3 cost for the map is a raffle ticket for the garden bench. The yard sales will run from 8 a.m. to 1 p.m. and concessions will be available on the Common.

Thank you for supporting the Rail Trail. —*Louise Robie*
