Farmers' Market Policy

The New Boston Board of Selectmen has established the following policy for the usage of the Town Common for the Farmers' Market activities.

1. Review and request must be approved by the Recreation Director prior to annual approval by the Selectmen including dates and times of starting/opening days.
2. Authorization for Saturday use only unless waived by the New Boston Board of Selectmen.
3. The season will include the dates from June 1st to no later than October 31st.
4. A vendor maximum would not exceed allotted spaces ***as determined by the Farmers' Market Coordinator.***
5. Vendors shall not park in the Town Hall parking lot ***with the exception of dropping off and picking up displays and goods.***
6. Vendors shall provide the Selectmen's office with ***certificate of minimum \$1,000,000 Liability Insurance that names the Town of New Boston as the certificate holder.***
7. ***Each vendor shall adjust the placement of their wares each week to avoid wear to areas impacted the previous week.***
8. A thorough pick-up, plus site check after each market by a Farmers' Market coordinator.
9. Notification and approval required of any change in starting/ending dates and market hours decided on by participating members (based upon date and time given as prescribed above).
10. Authentication of a "true farmers' market", that is, a market in which only New Hampshire made/grown products will be sold with the emphasis on farm produce plus homemade foods and crafts as reflected in member majority.
