

New Boston Open Space Committee  
Minutes of February 19, 2024

Minutes of March 18, 2024

Present: members Lombard, Woodbury, Bacon, and Keyes

Absent: Hill and Moloney

Guests: Louis Rumore and Andy Carter

Convened: 7:30pm Select Board Conference Room

River Rd. Property: Discussions with the guests who have an interest in acquiring and preserving the land in question as to the best approach. Discussed was the possibility of a purchase by an abutting owner and/or obtaining Federal grants toward the purchase of the land with the Town considering the purchase of a separate conservation easement if required. The interested parties will review their resources and options in the near future in hopes of moving this to a mutually satisfactory conclusion in the short term.

Southern New Boston Property: Continued interest, but no further contact with the owners.

LaBree Estate: No further contact with an estate representative.

Davis Lane: The Committee was made aware of a parcel of land at the end of Davis Lane that may become available for easement.

February minutes approved.

Adjourned 9 pm.
