

## **Solid Waste Advisory Committee Meeting 5/8/2023 New Boston Town Hall @5pm**

**Attendees:** Floyd Guyette, Bruce McKim, Jim Keyes, Gerry Cornett-Facility Manager/ex-officio, Bill McFadden-Select-Person/ex-officio.

1. Committee members were introduced to Bill McFadden, Selectman, and vice versa. He was welcomed to the committee.
2. Comments from station visitors on clear and semi-transparent bags with 3 months conversation period ending June 1, 2023, have been supportive and many town's people have been purchasing bags from the Transfer Station which has price points less than other sources from which to purchase bags.
3. We discussed once again how to identify/attract two additional members to this advisory committee.
4. We shared observations on the Earth Day town wide clean-up. There was a general consensus that in the future there needs to be more press and organization to encourage residents to join the effort.
5. Gerry provided an update on his research into the glass pulverizer machine idea, lowering glass shipping costs, providing ground aggregates for the foundations of New Boston re-paving of roads rendering the roads have to have a longer useful life and talking to several area towns who may want to send their glass to New Boston. More discussion to occur. Relevant website is "NRAA".
6. Our next meeting will be Monday, June 5<sup>th</sup> beginning at 5pm in the Town Hall meeting room.
7. The meeting was adjourned at 5:45 pm.
