

The New Boston Climate & Energy Committee invites you to...

“Step it UP” New Boston

On November 3rd, Americans will demand real leadership on global warming. From coast to coast, we'll rally in our communities and invite our politicians to join us.

The New Boston Climate & Energy Committee has organized the following activities as part of this national day of awareness:

Forum with NH State Legislators • First LEGO League • Guided Hike of Mill Conservation Area • PSNH Energy Representatives • The Great “Can Crusher” • Homemade Lunch • Film: “Planet Earth” • Children’s Story Time • Peak Oil Speaker • NB Transfer Station Representative • Wind, Geothermal & Solar Energy Experts • CSA's & Farmer's markets • Green Building • Energy Saving Tips
• Raffles & Prizes •
Live Music with Amy Conley...and MORE

November 3rd, 2007
New Boston Community Church
11-3 Walk, Talk & Tables
3-5 Discussion with Leaders
