

SELECTMEN'S MEETING

March 25, 1982

The Selectmen (Ted, Tom & Bill) met at 7:00 pm at the Library with Library Trustees, Town Counsel, David Nixon, contractor, Mr. Eckman and architect, Michael Ingram to review a punch list prepared by the Trustees of unfinished items and try to resolve the problem of who would take the responsibility of finishing up this project. An agreement was reached and the Selectmen signed a release.

Many Inventories were brought in.

Many irate citizens called to complain about the condition of the roads

John Bunting came in to report that the Fire Dept. has been working with Frey, Inc. regarding their new commercial building and its fire prevention. He said the company is most agreeable and promised to fulfill its obligation regarding the Fire Code.

Pistol permits were issued to Arnold Byam and John Winslow.
