

SELECTMEN'S MEETING

June 17, 1982

Present were Selectmen Olson and Caldwell, also secretary.

The Selectmen issued a building permit to Mr. Frank Scott, Jr., to build a noise-abatement enclosure for his dogs due to the objection from the neighbors of the noise during the night from barking making it impossible to sleep.

Other building permits approved went to: David Woodbury, Daniel Way and Errol Upton.

The Selectmen appointed James Hansen to the Recreation Commission to replace Steven Strand, his term to expire in 1985.

The new applications for Current Use were checked and action taken. The applicants will be notified of the decision taken by the Selectmen.

It was moved to continue with the precedent set for the past few years and have Selectmen's Meetings every other Thursday during the months of July and August. The dates for the meetings will be: July 1, 15 & 29; August 12 & 26.

The meeting was adjourned at 12:10.
