

Conservation Board Meeting Minutes, Dec. 4, 2003

BANK BALANCES Regular _____ Bridge _____
No statements for either received from town treasurer.

TRAIL MAPS are completed and can go to press. Burr will go to Kinko.

LYNDEBOROUGH ROAD LCIP signs have been posted by Joe.

Kate has asked for a refund of money spent on doing the trail brochure text on her computer. A bill must be submitted.

Saunders Pasture PWA monitoring letter from Gordon Russell was read. CC activities are in accord with terms of the easement.

Development On-Sites were conducted by Joe and BCD on the following:

1. TM 12/93-2 and 93-40 Dupuis on Carriage road: a dredge and fill, on which we did not have issues. When we expressed concern for the backland wetlands, the agent stated that all houses are to be built on the front of the lots.
2. TM 6/40-5 -- Vista road, LLC on-site Dredge and Fill for the road construction. We had 2 issues that we have asked the DES to clarify for us: 1. an underground stream between Lot 6/40-5-12 and 6-40-510 is being overridden as nonwetlands. 2. drainage coming down from lot 6/40 pooling and crossing to 6/41-53.

TM 6/40 Wilson Hill Road for Thompson and Thibeault lot line adjustment of 35 acres for an AT&T cell tower.

New Member -- Cyndie Wilson has submitted an application to become an alternate on CC. Burr to submit letter to selectmen for approval.

Town report article to be written by Joe.

The January CC meeting will be shifted from 1/1/04 to 1/8/04.

Selectmen will meet every other Monday in 2004.

CC voted to acknowledge the work of Brenda and Eric with CC following their resignations of membership. Mary Carol and Burr will prepare an album of photos.
