

SELECTMEN'S MEETING

September 21, 1978

Present were Oliver Andrews, Roland Sallada, Thomas Mansfield and Betty Hooper.

John Young came in to confer with the Selectmen as to their thoughts regarding town growth to prepare for future school buildings, specifically a Cafetorium. The Selectmen said it was impossible to project ~~which~~ which direction the population of the town will take.

John Young renewed his pistol permit.

The following building permits were approved: John Young, Richard & Rita Gagne and George Carr.

Betsy Moore, member of the town hall committee, came in to discuss with the Selectmen the new rates for the rental of the Town Hall to be agreed upon by the Selectmen and the Town Hall Committee. The list of ~~new~~ new rates will be 'posted' on the bulletin board in the Town Office. Each organization involved will receive a letter advising them of their obligations.

David Woodbury was unanimously nominated to serve on the Conservation Commission to round out the membership. He will be called for confirmation.

Work is being done on the blotter book and should be completed for the dead-line of October 1.
