

Present were Selectmen Dodge, Mansfield and secretary.

7:15 Marcel LaFlamme was in to review his contract with the Town on inputting the records on the computer.

7:45 Lee Murray to discuss bids for blasting ledge on Joe English Road. Road Agent and Selectmen established a policy for sick days and vacation time. Vacation -- one (1) week after a years employment  
two (2) weeks after two years employment  
three (3) weeks after five (5) years employment

Sick Time Six (6) days per year **NOT TO BE ACCUMULATIVE**  
( $\frac{1}{2}$  a day per month of employment.)

8:20 David Evans and Barry Brensinger were to see what the outcome of Town Meeting was in relation to the land purchase across from the landfill. They were told that the Town would have to have a high intensity soil test done before a purchase price could be made. David Evans and Barry Bresinger were going to see their engineer for an estimate and the Selectmen would contact Robert Todd Inc. for an estimate. They will be back in on April 11, 1988 for further discussion.

8:50 Clifton Wilson came in at the Selectmen's request to review his gravel permit. At this time he has an engineer studying his property. He is undecide whether or not to build a pond on his property. He is going to pursue the Adult Community. He will be back in around August 1988 to inform us of his decisions.

9:15 Conservation Committee (Betsey Dodge, David Woodbury, Martha Brooks, Kevin McLarnon, James Hawkins) and Jan Nixon was in to inform the Selectmen of the Land Trust Fund. There are three (3) time periods for applications July, October and January. A State Official will be holding a public meeting on this topic in the near future.

Selectmen signed checks and reviewed weekly mail.

Meeting adjourned 11:00 PM
