

Selectmen's Meeting

April 11, 1988

Present were Selectmen Olson, Dodge, Mansfield and secretary.

7:05 Lowell Rheinheimer came in to explain other types of materials that could be used to cover the landfill.

7:40 Lee Murray came in to review bids for blasting on Joe English Road. Capital Blasting & Drilling will get the contract if Daniels Blasting quote is higher. Lee will contact Daniels for explanation of bid.

8:00 Tingley Family Trust gravel hearing. Abutters present were Donald Grosso, Robert Harrington, William and Gail Andrus. Representing Tingley Family Trust were Sue Tingley and Walter Leach Jr. William Andrus felt that if an operation was going to increase yardage and hours the traffic and noise would increase. Mr. Andrus is opposed to Saturday operations.

Mr. Robert Harrington is also opposed to Saturday operations.

Mr. Donald Grosso stated that he did not have a problem with noise and Saturday operations. He would like to see the speed control on the highway.

9:25 John Ballou and Armand Hebert came in to discuss parking at the church.

10:10 David Evans came in to talk about the high intensity soil test on the land across from the landfill.

Respectfully submitted
