

MEMORANDUM

From the office of Town Administrator Peter R. Flynn

Date: March 1, 2013

From: Peter Flynn

To: New Boston Board of Selectmen

Subject: Communication from Goffstown

Attached you will find information from the Town of Goffstown regarding the solicitation of proposals for electric power from NHPUC registered Competitive Electric Power Suppliers.

I strongly advise that you authorize me to follow through by accepting their invitation to tie in with them on this venture.

I feel that this would benefit the taxpayer as far as a potential cost savings in electricity for our town buildings

Keep in mind that there is no obligation on our part should we later decide to withdraw..

I would be willing to oversee the leg work in preparing our RFQ to be submitted with Goffstown.

I will be in contact with Susan Carr of the New Boston Energy Committee for input and assistance.
