

## Request to appear before the Board of Selectmen

Unless the issue is an emergency, all requests need to be furnished to the Town Administrator no later than noon on the Thursday prior to the Board Meeting.

**Name:** Kim DiPietro (for the Forestry Committee)

**Date:** 10/28/2014

**Phone Number:** 487-3377

**Email:** ekdipietro@comcast.net

**ACTION DESIRED:** Please specify what action you desire the Board of Selectmen to take as a result of your presentation. Please be as specific as possible.

Tyler Ruggiero from Boy Scout Troop 123 has completed his Eagle Scout project of a Kiosk located at the trailhead for the New Boston Trail opposite the ballfields on Old Coach Road. He is required to donate all leftover funds that he has raised for this project to the Forestry Committee. The Forestry Committee will be purchasing signage for the New Boston Trail using these funds.

Tyler would like you to officially accept his donation of the kiosk and the funds. He also needs a letter from the town accepting the liability of the kiosk in order to complete his application for the Eagle Scout award. (This the same type of letter Peter Flynn wrote for Cody Paquette to accept the liability of the bridge in the Sherburne Forest last year.)

Also, I would like to show you the proposed signage for the New Boston Trail that we would like to locate at the entrance of the Sherburne Forest sandpit and trail, as well as the Kiosk area opposite the ballfields. (I will show the proposed signs for the Sherburne area to Dick Perusse for his input.)

**PREVIOUS STEPS TAKEN:** Please indicate any attempts that you have made to resolve this issue prior to asking to appear before the Board of Selectmen. If current procedures require that you place your request elsewhere prior to possible action by the Board of Selectmen, the Town Administrator shall inform you at the time you complete this form.

The selectmen consented to the building of the Kiosk by Tyler Ruggiero in the spring of 2014.
