- School snow maintenance cost. See attached letter & sheet.
- Byam Road complaint. See attached complaint form.
- Drainage on Parker Rd.
- Discuss State Surplus Auction and funds.
- Budget: Possibility of adding one full time employee.
- Christian Farm - installation of sign at beginning of road, notifying the residents and town plow guys of LIMITED SALT USE. I will tell them to use sand/salt only, due to the proximity of the artesian wells on various lots.

TOWN OF NEW BOSTON COMPLAINT FORM

Date: 10/22/13

Department: Highway

Prepared By: Richard Perusse

Date/Time of event: 10/16/13

Complainants Name: Brad Bingham of Byam Road

Phone# 867-9637

Complaint Details:

Brad called the Highway Department on Tuesday, October 22nd at 9:48 AM and left a message saying that he would like to speak to someone about the damage done to his property. This damage was done while the town was cleaning ditches.

Action Taken:

I (Dick) returned his call on Wednesday, October 23rd at 12:26 PM and left a voice mail asking Brad to call the Highway Department. Brad returned the call at 12:56 PM. We discussed his concerns and agreed that we would meet on Thursday October 24th at 7:45 AM.

As we met, Brad expressed concern about the removal of trees, grass and rocks, which were in the ditches, along with grass at the radius of his driveway extending towards his mailbox and the dirt left at the culvert pipe.

I explained that the drainage ditches had not been cleaned in a long time so that this is quite a shock to people to see this happen. Ultimately all work performed was done within the right of way and easements for drainage. No private property was impacted during the process. I agreed to clean the dirt from the end of the culvert pipe and reminded Brad that driveway culvert pipe is the property of the homeowner and they have the responsibility to keep them clean. I also agreed to place loam, seed and mulch on the radius of the driveway in trying to establish growth.
