Tel. 603-487-2996

SUBJECT: Notification of Proposed Wetland Impact.

DATE: January 20, 2016

As required by the New Hampshire Department of Environmental Services Wetland Bureau's Administrative Rules, I am writing to inform you that the Town of New Boston is filing a Minimum Impact Expedited Review Application. The subject property abuts property that you own.

The applicant proposes to erect a 6' x 110' pedestrian footbridge spanning the Piscataquog River mid way between Molly's Tavern and the New Boston town library to connect existing conservation trails located on both the east and west sides of the river. The bridge will allow for pedestrian foot travel between the down town area and facilities located along Rt. 13 otherwise non-accessible by foot.

Please address any comments or concerns you may have to Todd Land Use Consultant's, LLC or, to the New Boston Foot Traffic Safety Committee 603-487-2722.
