

NBFD Cadet Program

Welcome

The New Boston Fire Department Fire Cadet Program is a youth program organized under the New Boston Fire Department and is designed to allow male and female youth, to explore a career in the fire-rescue services. The cadets will work side by side with members of the department and receive training similar to volunteer and professional firefighters, including basic fire chemistry, hose evolutions, ladder operations, auto extrication, hazardous materials, first-aid, CPR, and medical emergencies. The training program is intense and demanding, however the rewards increase character and the understanding of what it takes to pursue a career in the fire service.

Joining the Cadet Program benefit youth in the following ways:

- The opportunity to learn teamwork and leadership skills
- High School community service hours
- Challenge, hard work, fun, and friendship

Basic Requirements for joining the Cadet Program are:

- Between 14 and 19 years old
- Completion of the 8th grade
- 2.0 or better grade point average

If you are interested in joining the New Boston Fire Department Cadet program please contact Cadet Director FF/EMT Derek Danis at 603-396-5960 or FF/EMT Liam Cashin at 603-714-1753, email us at nbfd76cadets@gmail.com or look the New Boston Fire Department Cadets on Facebook.
