

Conservation Board Meeting Minutes, May 1, 2003

Treasurer's Report \$ _____ Bridge _____ (Rebecca hasn't received statement from town treasurer)

Minutes – April minutes read and accepted

OLD-

Mapping for trail maps – Rebecca gave an update from Kurt, and CC reviewed presented brochures for correction

UNH students at Saunders – Burr presented an update of inventory presented by the National Resource students to date. They are preparing a slide presentation of their work to be presented to CC and other town boards.

Easement on Alex Noftsger land on Laurel Lane – Ken Lombard of Open Space presented the ongoing preparation for the easements with Cyndie Wilson and Mr. Noftsger.

Brochure of CC Lands committee update – CC is pursuing the issue of doing a town map similar to the one done by the New Ipswich CC to show the town lands available to the public. CC will be asking the Forestry Com if its members would like to join us and add their lands to this also.

SUBDIVISION ONSITES –

1. Wilson Hill TM 6/32 – No issues for CC
2. Lorden Lumber on McCurdy TM 12, Lot 19 – Review of updated lots. CC has previously done a site walk and addressed our concerns in the D&F application.

WORKSHOP REPORT of saving place Burr gave a presentation of the meeting he attended with Open Space.

RAILROAD TRAIL –

1. Parking lot becomes muddy during rain. CC voted to ask Bo Strong to remedy the problem.
2. The small bridge on the 1st trail-section still needs to be rebuilt. Joe Taggart presented several idea. No action taken.

NW BUSINESS –

Mill Pond – 1. The Girl Scouts have done a great volunteer cleanup job. They reported a tree down in the picnic area. Joe N. will tend to it.

2. Trail naming along rivef may be in need of repair to keep from slipping. Rebecca will evaluate.
