

SELECTMEN'S MEETING

April 18, 1988

Present were Selectmen Olson, Dodge, Mansfield and secretary.

- 7:05 Donald Wheeler met with the Selectmen to review his gravel permit. The next time his gravel permit comes up for renewal (12/88) the Selectmen will require a restoration bond.
- 7:35 Elaine Wiggins, Michael Humphries and Wayne Jennings were interviewed for members to the Friends of Recreation Committee. They all were excellent candidates and all will serve on the recreation committee.
- 8:25 Barry Brensinger left a proposal for high intensity soil study. Barry Brensinger and Selectmen agreed that both companies will be involved with the soil study. Robert Todd's office will do the survey work. Both companies will do the soil test. The cost of this project will be split between Barry Brensinger, David Evans and the Town of New Boston.
- 9:05 Sandra Gendron, Administrative Assistant opened bids for the A. B. Dick Copier. Bids were as follows: Mansfield Bus Lines \$595.00 Community Church \$475.00 and Herbert Scott & Sons \$200.00. Copier was purchased by Mansfield Bus Lines.
- 9:35 Michael and Kathleen Stickney with their attorney, Michael King (497-4126) came in to review the liability release the Selectmen asked the Stickney's to sign. Stickney's are concerned if they sign this release they would not be able to get fire insurance. Their lawyer will look into their concerns and will get back to the Selectmen.

Respectfully Submitted
