

Selectmen Minutes
03/13/2000

Present: Susan Clay, Lois Briere, Gordon Carlstrom and Burton Reynolds

Public Comment: Investigation of stolen vehicle at 4-H grounds. No fingerprints or tire imprints were taken.

Last meeting for Susan. Served for 1 term.

Appointments:

7:00pm – Jim McLaughlin decided to wait until the new board is intact and then he will come in for his appointment.

Minutes:

03/06/00 Accept as noted.
02/14/00 Okay as revised.

Old Business

- 1) See Selectmen projects listings for 1999 – addendum to the minutes.
- 2) No Planning Board meeting. At Meet the Candidates on Sunday, there were a lot of questions regarding Open Space; this will definitely be a high priority.
- 3) Building Permit fees. Okay for Selectmen to approve change. Fee change will be effective April 1st per Dennis' presentation.
- 4) Gravel permits
 - a) Permit process
 - b) Who are the abutters, bond requirements, print name and sign name.

Hearing date – March 27th is a little early, April 17th would be a better date.

New Business:

- 1) Loss Prevention Symposium – April 7th – free seminar.
- 2) Town Ordinances – there is a folder of the ordinances, we will organize and review them one at a time.
- 3) Year 2000 Goals – see attachment – addendum to minutes.
- 4) Because the Town Administrator is a fairly new position in New Boston maybe we could ask the Municipal Association if there is a guide on using the

Town Administrator. What is the difference between the Town Administrator, Town Manager and Selectperson? What should the relationship be between the Town Administrator and the Department Heads?

Who is responsible for implementing impact fees? Selectmen or Planning Board.

Public Comment:

Joe Nangle - New Boston growth could raise building fees more.
Yearly review of gravel pits.

RSA 91-A:311a Non-Public

Lois – yes, Susan – yes and Gordon – yes.

Adjourned 8:35pm.

Patti Oakes
