January 31, 2011**

Present:	Rodney Towne	Selectman
	Dwight Lovejoy	Selectman
	Burton Reynolds	Town Administrator
	Tom Miller	Road Committee
	Christine Quirk	Selectman (Absent – on vacation)

Meeting was called to order at 4PM by Selectman Towne.

The purpose of the meeting was to review the applications submitted for the Road Agent position. The Town Administrator had prepared a review sheet whereby each applicant had been evaluated based on a set of criteria established previously. Some discussion took place as to whether a few candidates should be interviewed (for various reasons) who did not really meet the criteria. It was decided only those who met the criteria would be invited to interview. Based on that, 5 applicants were chosen out of 25 submissions. The interview date was set as Thursday, February 10<sup>th</sup>. Tom presented his technical questions and it was decided the other questions developed for the 1<sup>st</sup> round were fine for this 2nd round.
