5. Have the names and addresses of all abutters as shown in Town records within the 5-day period immediately preceding the filing date been submitted on a separate sheet? Y ☐ N ☐
6. The undersigned hereby demonstrates that the proposed excavation is for greater than 5,000 cubic yards but less than 10,000 cubic yards for the life of the project by providing the following information. Please provide a sketch or plan if the information can more appropriately be shown in graphic form.
 - a. the area of the site from which earth materials are to be excavated;

 - b. the contemplated amount of material that is intended to be removed;

 - c. the contemplated duration of the removal operation;

 - d. the following specific information regarding the proposed excavation operation:
 - (i) Proposed routes for transport of material:

 - (ii) Number and type of vehicles typically used to transport material:

Town of New Boston

PLANNING BOARD

PO BOX 250 • 7 MEETINGHOUSE HILL ROAD • NEW BOSTON, NH 03070

(iii) Equipment in use for material removal:

(iv) Maximum number of daily trips proposed:

7. I/We have read the Town of New Boston Earth Removal Regulations, and agree to be bound by them and all applicable State, Federal, and Local laws and regulations. I/We understand that failure to comply with this agreement or the applicable regulations, ordinances, and laws may result in revocation of or denial of approvals or permits by the Town.
8. I/We understand that the Office of the Planning Board/Planning Department must have on file a completed application with all required submissions as outlined in the Earth Removal Regulations at least 15 days prior to a scheduled public meeting of the Regulator.
9. I/We understand that the Regulator or its designee may make periodic inspections, minimally on an annual basis, of all excavation sites, both permitted and exempt, to determine if the operations are in conformance with these regulations and the approved plans.

I/We am/are requesting that the Regulator dispense with the formal public hearing and issue a finding that the exemption is applicable and that no further permit or oversight by the Regulator is required.

Authorization to enter subject property

I hereby authorize members of the New Boston Planning Board, Conservation Commission, Planning Department, and other pertinent Town departments, boards and agencies to enter my property for the purpose of evaluating this application including performing any appropriate inspections during the application phase, review phase, post-approval phase, construction phase, and occupancy phase. Every effort will be made by members of the above-noted Town organizations to give 24/48 hour notice of any site inspections, with the exception that inspections to respond to complaints regarding the operation may take place unannounced. This authorization applies specifically to those particular individuals legitimately involved in evaluating, reviewing or inspecting this specific application/project. It is understood that these individuals must use all reasonable care, courtesy, and diligence when entering the property.
