98	The Board addressed an encumbrance request for the Police Department. There was discussion
99	regarding the body camera request. Donna Mombourquette suggested moving this topic to Non-
100	Public Session, as it is a sensitive issue. She suggested that the 2023 payment be made with
101	encumbered funds, and that the Police Department should then draft a warrant article for the
102	2024 and 2025 needed funds. Kary Jencks stated that the Board should check in with Police

New Boston Select Board Meeting

December 18, 2023 APPROVED 131 Bill McFadden noted that he would like the proposed Finance software to be a warrant article. 132 Jennifer Allocca, Finance Director agreed. 133 134 Bill McFadden noted that, with Step and COLA increases, employees are slated to get a 7% 135 increase, which may be a bit high for this year. This is not a common increase these days and 136 could lead to the budget not being approved this year. While he would not object to the warrant 137 as presented, he suggested either Step increases or a COLA. Donna Mombourquette suggested 138 that other municipalities be considered. 139 140 The Board agreed to continue to review the warrant articles at its next meeting. 141 142 **Item 10:** Second Reading-Reporting of Time Worked Policy 143 144 The Board had a second reading of the draft Reporting of Time Worked Policy. 145 146 Donna Mombourquette moved to accept the Reporting of Time Worked Policy 147 effective December 18, 2023. 182 183 184 185 186 187 188 189 190	Karen Scott, 110 Dane Road, stated that she has asked multiple times for attachments for agenda items to be included for the public's benefit. For example, the second agenda item this evening. This would afford transparency and aid the citizens in better understanding budget items. She asked why the public was not able to review the Personnel Policy review document, or the RSMS contract document. None of the members of the public sitting in the meeting are able to follow along with the agenda items, as there are no background documents. She has reviewed other local towns, and their Select Board agenda packets contain all of the associated documents. Citizens have a right to see this information. Also, while the Town employees do a great job, a 7% increase in this economy is crazy.
