## Town of New Boston Selectmen's Meeting December 7, 2022

**PRESENT:** Donna Mombourquette Selectman  
David Litwinovich Selectman  
Jennifer Brown Selectman  
Paul Branscombe Town Administrator

**A. CALL TO ORDER:** A meeting of the Board of Selectmen was called to order by Donna Mombourquette at 6:30PM with the Pledge of Allegiance.

### **B. APPOINTMENTS:**

**Engineer Josif Bicja from Hoyle, Tanner and Associates:** Josif presented a Powerpoint Presentation of updated information and the construction schedule on all New Boston bridge projects 80% funded from NH's Municipally Owned Bipartisan Infrastructure Law (MOBIL) bill as part of President Biden's Build Back Better plan. These are bridges on Tucker Mill and Gregg Mill Road. If anyone has any questions, please e-mail the Town Administrator at [p.branscombe@newbostonnh.gov](mailto:p.branscombe@newbostonnh.gov) and he will forward them to Josif. There are several bridge design options that the Select Board will review and select from.

Roch Larochelle of Beard Road was present and noted he often travels the area of Gregg Mill Road. He made several recommendations for the design of the new bridge to improve safety in the area.

The Dougherty Lane bridge project was also discussed as Josif is also working on engineering for that project. Jen Brown is against this project, mostly due to cost. Josif noted he can approach NH DOT to see if they would be willing to contribute toward this project.

Warrant Articles have been prepared for the 2023 Warrant for all three bridge projects.

Josif will hold a second informational meeting to which the Conservation Commission will be invited to learn about the plan before permits are applied for.

**ADJOURNMENT:** David moved to adjourn the meeting at 7:37PM. Jennifer seconded the motion. All were in favor. 3-0
