

Memorandum

Date: May 13, 2021

To: Board of Selectmen

From: Peter R. Flynn, New Boston Town Administrator

Subject: Three-year auditing services

It is my recommendation that the Town of New Boston continue to retain the services of Plodzik-Sanderson Accounting Firm of Concord as our official Town Auditors.

The agreement is for a three-year period as we have just completed our third year of a previous three-year agreement.

Plodzik-Sanderson has been our auditors for at least ten years and have done a stellar job for the Town.

They are used to working with us and have an excellent understanding of the Town's Finances,

They worked extremely hard when we had a disastrous situation with our day-to-day financial accounting 'in house' and were instrumental in cleaning house and re-organizing our systems with the help of new qualified Finance Directors. (Elisa and Jennifer).

Recommendation:

Move to renew the Auditing Contract for the Town of New Boston with Plodzik-Sanderson of Concord, NH for a three-year period. (2021, 2022 and 2023) _
