### "King Charles III and a New Boston diary"

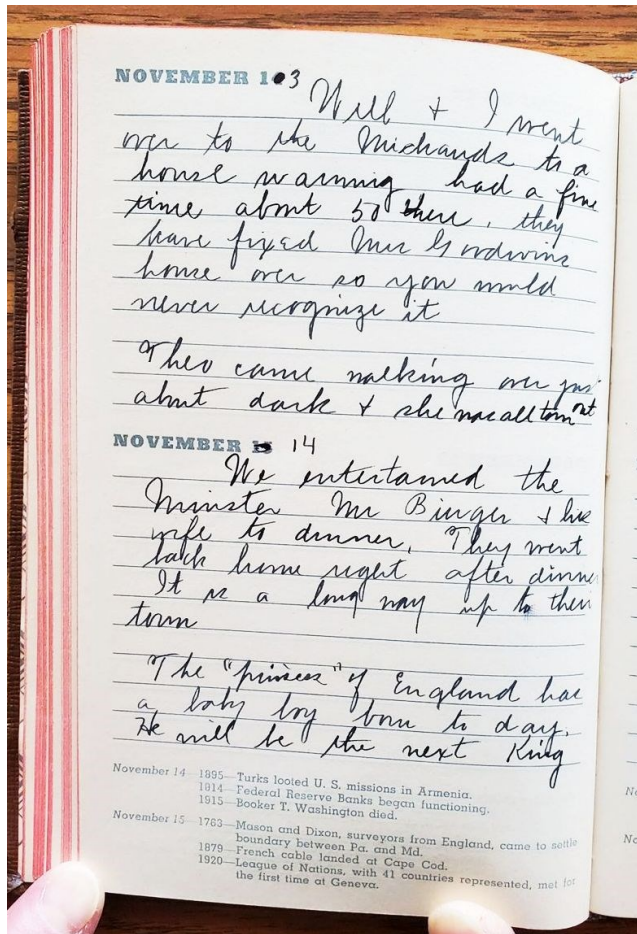

by Dan Rothman for the Center of Gravity Gazette

If all goes according to plan, King Charles III and his wife Camilla will be crowned this month, May 2023. Now you may ask, is the King of England relevant to Americans 250 years after the Revolution? Yes he is!

For example, the King's name recently appeared in a legal dispute between the Governor of Florida and the Disney Corporation. When the Governor moved to take control of the land upon which Disneyworld is built, the Disney board quickly adopted a new provision preserving their authority until "21 years after the death of the last survivor of the descendants of King Charles III, king of England, living as of the date of this declaration."

When I read that in the newspaper, I wanted to know, what was that all about??? What I've learned is that the "royal lives clause" is well-known in legal circles, in both England and America. Apparently the clause is used for property transactions where you can't grant rights "in perpetuity," or forever. Given that Charles's youngest grandchild, Lilibet, is not quite two years old, the "royal lives clause" may provide Disney certain rights for a hundred years, which is indeed forever from my perspective.

At this point, "Center of Gravity" readers may wonder, what is the relevance of King Charles III to New Boston, New Hampshire? I've an answer for that, too!

Cora Dodge diary entry about the future "King Charles"

## A Walk in the Woods

Once a week meet ups for a casual walk in the woods

- Thursdays from 9-11:30, ends on June 29th.
- Please meet at 8:50 in the Town Hall Parking lot.
- We will discuss where we will hike and then carpool/convoy to that location.
- Each week we will hike at a different trail in the Greater New Boston Area.
- There is no fee or sign-up for these walks.

Louise Robie will be our guide as we discover new places to hike and enjoy our beautiful woods. Pace will be according to the fitness of the group as a whole. Expect easy to moderate terrain to traverse and please dress accordingly to the weather.

This is an all-ages walk but children must be accompanied by an adult. Well-behaved, leashed dogs may attend. We will leave the town hall parking lot at 9 am with whoever shows up.
