

## IMPORTANT INFO FOR WEEK 2!

Week 2 is Forts and Fairies Week where campers will have the opportunity to explore some trails in town and collect materials to build their own forts and fairy houses. There will also be craft opportunities with materials inside for campers to use in their creations.

Our trip this week is on Thursday. We will be going to Sunapee Lake for a day of swimming and beach fun. The bus will depart Camp Coolio at 9am sharp. **Please have your camper arrive at camp by 8:30am this day** so they can get settled before we pack up to leave. We plan to return around 3:30 pm.

**Please remember to send your camper with sturdy shoes for this trip. Sandals are not appropriate for the rough terrain that we will be exploring.**

While we do treat the area for ticks, they are everywhere, so please remember to continue to check your campers when you get home everyday. Please make sure kids come to camp with a refillable water bottle, lunch and snacks.

Friday's – Dodge's in the afternoon. Please send in between \$1.00-\$5.00 if your child wishes to participate.

## **Week 1 Theme - Wacky Water Week!** **Making new friends and having fun!**

Our campers and counselors kicked off week one with some awesome water activities and great weather! Campers had the chance to choose different games and activities throughout each day during the week. The waterslide and water balloon games on Thursday were many campers favorite activities.

All campers were super kind, helpful, and well behaved making it easy for us to get in all of our fun activities.

Some other parts of our week include making water balloon catapults, capture the flag, kickball, some crafts to decorate our buildings, and some other camp wide games.

Check out the important info about week 2 on the back.

### **Week 1 COW!** **Mylee**

When deciding on the Camper of the Week our staff looks for a camper that is: Helpful, shows good sportsmanship, is kind and respectful to other campers and staff, respects camp/town property and equipment.

**Brilliant job Mylee!**

### **Refund policy and Emergency Safety Plan**

Please note that once camp started, that there are no refunds. We have hired staff to meet the needs of the number of campers that are scheduled to be at camp each day. We are completely full and have a waiting list. It will not be possible to switch your weeks as we have no spots open.

**We have a comprehensive emergency situation and safety plan.** We may, at anytime, conduct a safety drill. These drills include the practice of what children and staff should do in case of fire, accidents, evacuation, lockdown and lockout situations. Police and Fire personnel may also be involved in these drills.
