

IMPORTANT INFO FOR WEEK 3, July 17-21!

Week three is Arts and Sports week! From the 'arts' perspective, campers will welcome local artist Katie Hawkes on Monday morning who will provide a canvas painting lesson! The painting will be of a whale to kick us off for our whale watch field trip Tuesday.

From the sports perspective we will offer different sports throughout the week, a visit from Kate Merva for a movement activity Wednesday afternoon and culminating Friday with a Gaga tournament and a karate demo.

We will also continue our act of kindness Fridays along with afternoon visit options to Dodges Store (please remember to send between \$2-5 if your child wishes to participate) and the Library.

*****Our all day whale watch field trip will plan to leave at 8am (please be here no later than 7:45) and will plan to return for 4pm*****

Campers will get to spend a day aboard a board to search for wild whales and hopefully spot some of NH's common whales including the Minke Whale and Pilot Whale. Please bring hats, lunch and plenty of snacks and water (no glass allowed on the boat) and wear your camp shirt! If your child gets motion sickness please give them medicine before arriving to camp for the day.

Camp Coolio

Cool Breeze Gazette

Hello Campers & Families!

Week 2 was Forts and Fairies week. We filled the week with fairy crafts and opportunities to build and add on to our forts in the side hill. We welcomed Kate Merva as a special guest to do a fairy craft with interested campers, and she helped them create some detailed fairy work to either bring home or set up in the woods. Ask your children about their fort or fairy experience! Many were passionate about one or both.

Our Thursday field trip to Lake Sunapee was great! The weather cooperated and we were able to swim, get in some wiffle ball, visit the playground and the park store.

Friday we welcomed the Magic Fred show in the NBCS gym. Many campers volunteered to help with tricks and I heard lots of laughter and saw many surprised looks and 'How did he do that?!' as he completed his show.

On Friday, we also focused on our first week of kindness. We asked each of our three groups to think of someone who has been helpful to us in our community and then show them an act of kindness. Each group ended up choosing someone different to thank and celebrate with a card/sign. This week the three groups thanked; Pat (who mows our field), Sheri (for coordinating the cool breeze) and Mike and Sheri for all their support.

Check out the back page for more information on Week 3!

Keepin' it Cool at Camp Coolio,

Shaunna

Shaunna Babock, Camp Director

We went up to the school gym to to have some play-time during the rainy Monday start to our week.

Week 2 Cow Porter

When deciding on the Camper of the Week our staff looks for a camper that is: Helpful, shows good sportsmanship, is kind and respectful to other campers and staff, respects camp/town property and equipment.

The counselors noticed that **Porter** was really engaged in all that camp had to offer this week. He was respectful to his peers and kind in all the camp activities. Congratulations and thank you for adding to our positive camp community!

Way To Go Porter!
