

IMPORTANT INFO FOR WEEK 6, Aug 7—Aug 11!

Week six is 'Celebrate Summer' week and our last week of camp! On Monday we will introduce the idea of a talent show to the campers to take place Friday afternoon at 3pm on the gazebo. If the talent show takes place, families are welcome to come watch! All week, campers will have the chance to develop and practice for the talent show. We will also enjoy ice cream from 'sub-zero' a nitrogen ice cream company and a field day!

Tuesday there will be a camp cookout, so no lunch required, but if your child does not want the hotdogs, then please pack them a lunch. We will have grilled hot dogs, chips, juice box and frozen treats. Thank you to Mike who will be our grill master!

Wednesday will be our annual field trip to Canobie Lake park. We will plan to leave at 9:30 am and return for 5:00pm. Please arrive no later than 9. Please pack lunch, snacks, water, sunscreen, cash for food/souvenirs (optional) and plan to wear your camp shirt! We will not be exploring the water park itself, but there are plenty of rides where campers can get wet, so dress accordingly.

Thursday and Friday we will have traditional camp days with a focus on group games and be practicing for our talent show. Friday will also be our weekly Dodge's trip (please pack \$2-\$5).

Mill pond will be an option on weather permitting warm days. Week 5's camper of the week was Elizabeth!

*****Our all day field trip on Wednesday to Canobie Lake Park will leave at 9:30 am (please be here no later than 9:00) and we will plan to return around 5:00pm*****

Week 5 Issue

Hello Campers and Families!

Week 5 was 'We Love NH' week. On Monday, we welcomed our new group of campers with a traditional camp day including the school playground, dodgeball, capture the flag and a special visit from volunteer Kate Merva for a crafting session making sock animals. We also enjoy popsicles from the Rec Dept., thanks Mike!

Tuesday was our field trip to Lost River Gorge and Boulder Caves. Our looped walk around the trails allowed us to check out 11 caves and the beauty of the gorge and all NH has to offer. We also got to enjoy a mining activity and each camper brought home their own discovered gems.

On Wednesday we visited with some local NH heroes. In the morning we got to see a K-9 display with the NH State Police. Cameron and Isla P's father, Bryan, also brought his cruiser down so the kids could test out the sirens and light. In the afternoon, we got a visit from the New Boston Fire department with one of our town fire trucks. The campers also made targets to see if the fire hoses could reach them at different distances. Thank you to our first responders! We are so grateful for you.

On Thursday Katie Hawkes joined us again for a painting lesson, this time focusing on a NH theme of white birch trees and mountains.

On Friday, we also focused on our fourth week of kindness. We again asked each of our groups to think of someone who has been helpful to us in our community and then show them an act of kindness. Each group ended up choosing someone different to thank and celebrate with a card/sign. This week the groups thanked; Katie Hawkes for coming in twice to do painting lessons and two groups chose to thank Cam and Isla P's Dad, Bryan Plamondon for coming down to visit with his cruiser.

Elizabeth!**

When deciding on the Camper of the Week our staff looks for a camper that is: Helpful, shows good sportsmanship, is kind and respectful to other campers and staff, respects camp/town property and equipment.

The counselors noticed that Elizabeth was kind to her peers, checking in with many different friend groups in camp and welcoming them into her conversations/play. She engaged in many different camp games and activities throughout the week as well, taking advantage of all camp has to offer.

Congratulations and thank you for adding to our positive camp community!

Excellent work Elizabeth!
